Health and social services

Established provider of outpatient integration assistance with many years of experience in supporting people with mental, mental and/or physical disabilities. The focus is on qualified assistance as well as compensatory assistance in the context of individual, person-centred assistance.

The company has grown structures, an experienced team of employees and stable cooperations in the social network. The services are provided in line with needs and close to everyday life and are based on the legal requirements of integration assistance.

The company is economically established and offers development potential for providers interested in the field, investors or existing providers of social services. The handover can be accompanied by arrangement.
