Apartment house

An attractive and very successful family business in southern Lower Saxony is offered. The property is located on the outskirts of the tranquil holiday resort of Silberborn in the middle of the Hochsolling. The thriving company with a lucrative and loyal guest base has a high local and regional presence.

Property description

Built in 1972 on a 1,380 m² plot, the architect's house was designed as an owner-occupied residential building with guest rooms for rent. In the 90s, it was rebuilt and expanded several times. Of the 339 m² total area, 239 m² will be converted into commercial space into apartments and guest rooms. Due to the constant increase in the number of guests, the owner-managed business has been expanded and redesigned several times. Since the end of 1993, it has been operating as an apartment building.
