

The big business marketplace

Business for sale more than 15 years

ID 27169

Look for Corporate sales, firm sales, sales **Children's second-hand shop**

Successor for a children's second-hand shop wanted for the earliest possible date.

The store was newly founded by the shop owner in 2024 and is in ongoing operation. It was the first children's second-hand shop in . The store is located in -Handschuhsheim in a street with walk-in customers. It is almost 100 square meters in size, very bright and is in a very well-kept condition, with parquet flooring, solid wood interior and a large shop window front.

The range of goods includes used but new clothing for babies, children and pregnant mothers, shoes, books and toys at a medium-priced level. The business model is sales on commission; that is, the suppliers of the goods get a percentage share after a successful sale of their goods and the store keeps the majority of the sales price.

There is a large circle of suppliers and a large circle of regular customers.
