Due to time constraints, I am selling my profitable online wholesale business for CBD aromatic flowers as a complete business (asset deal or share deal, subject to agreement).

Business Overview

Specializes in B2B sales of CBD aromatic flowers with a THC content below the legally permitted limit. We supply commercial customers such as specialty retailers, shops, and resellers. The business is well-established and largely location-independent.

Founded: [2023]

Annual revenue: [8.50] EUR

The source of these products is a regular winner of awards for best CBD flower producers, which are presented annually to only a select few partners—and whose contact information is not easily obtained. This contact is purchased as a result.

Gross profit margin: [30%]
