## **Established Metal Fabrication And Powder Coating Company**

Established industrial manufacturing company for sale in Southern Hungary.

The business operates in three complementary sectors: powder coating, metal fabrication and manufacturing of industrial painting equipment.

The company has been operating since 2002 and benefits from an established customer base, experienced workforce and modern production facilities.

Operations include powder coating services, CNC plasma cutting, welding, steel fabrication and the design and manufacture of industrial coating systems.

The sale includes industrial property, production facilities and equipment. The site offers significant potential for expansion through increased production capacity, export activities and contract manufacturing.

The current owner is willing to provide a structured handover, technical support and customer transition assistance to ensure a smooth transfer of ownership.

This opportunity is ideal for strategic investors, manufacturing companies or entrepreneurs seeking an established industrial operation with long-term growth potential.
