## Offer Corporate sales, firm sales, sales **Campsite**

In the Swiss canton of Ticino, near the Italian border, a multi-purpose holiday and camping complex is for sale. The near-natural area includes camping areas, holiday and group accommodation, gastronomy and leisure areas as well as residential, operator and development areas.

The camping area has, among other things, pitches, swimming pool, catering areas, fitness and sauna area, pool bar, sanitary and ancillary facilities as well as parking spaces. In addition, several residential and accommodation buildings, a renovated bungalow, former catering areas and additional building land are available.

The facility offers potential for the continued operation and development of different tourism concepts, such as camping, holiday village, glamping, group accommodation, holiday apartments or a combination of accommodation, gastronomy and operator housing.
