Manufacturers with an interesting Product in The Context of Personnel Deployment planning, personnel scheduling, But also Planning of Fleet and company Cars are looking for sales and service Partners nationwide (also Austria and Switzerland). The Company sits in Southern Hesse and is too small to handle even larger Sales Volumes nationwide. Which Company would like to cooperate here regionally or nationwide? Distribution for specific Target Markets, Target Groups or Regions should be taken over. Depending on the technical know-how that exists, You could also participate in the Service or offer your own Services (Consulting, Training, Installation, ...). The target Groups are generally Companies, where the Use of Personnel, company cars or other Objects is still time-consuming and often planned by Hand. Concrete Examples:-Personnel and Shift Planning in a Hospital, Hotel, Gastronomy or Supermarket.
