Look for Corporate financing, investor

Customs clearance

We are looking for capital (up to €50,000) to expand our Business. Market gap, established for 3 years, only customs agency in North Hesse, we work for almost all sped.

ks-ESW-HR. We also advise business support groups + Chambers of Commerce.

However, banks do not give us any chances, as we do not have share capital, but have financed everything out of our own pockets.

We have big ahead with big customers.
