Music and media company

We are still looking for co-tenants for high-quality commercial space in an interesting location for our music and media company, as the space would be too large for us alone.

We can use the well-known Schanzenviertel in offices (including other uses) in a unique buildings. Since the space is too large for us alone, we are still looking for co-tenants for this unique location.

The rental costs are approx. 8,50€/m² + NK. A total of at least 50m² should be rented, but small office space of 17m² (for 7.50€/m²+NK) can also be rented. The size ratios of the surfaces can be individually adjusted in some circumstances. The rooms have a pleasantly high ceiling height and are equipped with parquet flooring.

The building has 3 lifts (including 1 freight elevator), ventilation and new sanitary facilities.
