Offer Corporate co-operation, firm cooperation

Inn & Spanish Bar

Ladies and Gentlemen,

In the middle of The green Heart of Germany on a large Lake stands the Object from which my Dreams are made.

I have created a Concept and get funding from the Bank!! The Location is unique!

However, I don't want to rush 100% into the Structure of the Bank, and I'm looking for possible partners to do FAIRE business with!!

Kind Regards

[Co-operation](#)
