Tax advice at home and abroad

For the establishment of an Internet portal for the mediation of ambulance transports, as well as a provider directory for ambulance transports, we are still looking for a tax expert for German tax law, as well as for the US tax law, in order to strengthen the team. Furthermore, the advice should also make it possible to allocate venture capital.

Can you imagine a contribution here?

I am happy to await your answer and remain

with freundl. Grüßen
