Travel Event South India

Tour Operator Adventure South India

An aspiring travel event company is looking for an investor to realize an already advanced project.

Our company is already able to sell exclusive trips in a few days, which will be an innovation in the travel industry.

We are accompanied by a qualified team and have legal and tax assistance.

We are already represented on the Internet.

In order to be able to carry out our trips before Christmas, we need about EUR 20 000 for the preparation of print templates, advertising and settlement of liabilities.

We look forward to quick offers and ensure a smooth payment as early as December.
