Founding of a publishing house in the field of poetry

Search for the foundation of a publishing house in the field of contemporary poetry cooperation partners (especially publishing clerks/ women) who want to contribute their knowledge and skills to a new, innovative publishing house.

Theme: contemporary poetry

Media: Book, Journal

desired profile: publishing professionals, authors/poets, editors, literary scholars. Of course, the interest in or passion for poetry and the appropriate chemistry is decisive.

I look forward to receiving feedback!
