

The big business marketplace

Business for sale more than 15 years

ID 6006

Look for Corporate financing, investor

Newspaper publishers

are looking for a start-up capital of 10,000 euros for a new project (newspaper industry).

Intended as a normal loan or as a silent partnership.

Concept and business plan is available, also has been very positively rated by many agencies, but apparently it seems that the banks in particular are far too little capital that are needed.

[Capital](#)

Region , Germany
