Mobile Med Massage

Very good massage customer base to be handed over from March and April due to Pregnancy!!!!

This is Mobile Med. Massage, which means that I drive with my transportable Massage Lounger mainly in Companies and public Institutions to massage the Employees there. That's mostly 4 to 10 People per Company and I massage every Person there between 20 and 30 Minutes. Of course, I have also built Up private Customers through this Path, which I also visit at Home and the Potential is far from exhausted.

So Save yourself annoying cost-gamous and time-consuming Acquisition Activity and take on a good-looking customer base in . I will, of course, introduce You personally to all Customers and introduce You to the exact details.
