Ladies and gentlemen,

Surveys conducted by the Hamburg Research Institute F.U.R. on the Detection of new holiday trends and the B.A.T. Hamburg (holiday trends of the future) have shown that the Holiday behaviour of Germans in the next few years will drastically change.

Instead of the umpteenth time the "Langeweiler" beach holiday booking, the Germans are increasingly taking the "Experience holiday on your own".

Another study suggests that approximately 11 million Germans in the next few years, an adventure holiday in the travel mobile booking, provided that such mobiles are too low rental prices would be available in the market.

Across Europe, the demand for rental motorhomes is quantitatively almost impossible to quantify.
This is where our international rental concept for travel mobile, which is currently competitive in the market.
Is.
