Business advisory with Cost-saving Plan

I have drawn up a Cost-saving Plan that applies to all Companies where the Compensation levy (Severe Disability levy) has been paid so far. Taking Advantage of all Laws (Social Code IX § 140) and Tax Law, net Profits are demonstrably generated rather than Costs. To do this, I have developed a spicing table in the Microsoft Office Excel, which is available. What Company can help me implement this Business Idea?
