Look for Corporate financing, investor

Health Care practice

To Take over a fully utilized Occupational therapy Company, I am looking for a Investor! It is a Volume of €20,000, which is to be Made available. The Company currently has a permanent Employee and a Temporary Power and is very busy and profitable with about 50 Therapies! That is why I am now looking for an Investor who can provide me with this Capital for a period of 2 Years. Everything can be notarized! The Repatriation takes place on a monthly basis!

I ask for serious Answers or Offers. There are no need for People to come forward to me. Want to offer Credit!!!

Thank you very much
