Setting up Children's Entertainment Equipment

Car service consists of 44 children's entertainment devices such as Car, Horse, Locomotive, Aviator. These are set up at Supermarkets, Shopping Centres and in Retail (such as Bakeries). With a 50-Cent piece Of throw, the Children swing up to three times, depending on the Device. Liability, Maintenance (Cleaning, Repair), Billing with the Owner of the Pitch And Emptying the equipment box office Is done by the Discharge. The Devices are sold together with the Place. Half is in the Munich Area (main. East), the other Half in ZIP area 84. We would also sell the two Areas separately. The Business can be expandable at will. More information on Request.
