Tour Operators for Nature Adventure Trips

We are looking for a Guarantee Of more than 30,000 euros for the legally prescribed customer Money hedging.

This is not consumed in the Company, but is only available with our Insurance as a bank-confirmed Guarantee. We as a Company have no Access to the Money. Furthermore, we are looking for a strategic Investor, as we have expanded our Travel Agency distribution from 250 To more than 950 travel agencies and also have to print More Catalogues.

It is important to us that we only negotiate with serious and knowledgeable Investors. We are a young but purposeful company, which, in Cooperation with Nature conservation Organisations and international Development Aid, operates on the world by soft tourism. Long-term Cooperation with a common Goal is to be sought.
