Successor wanted.

Due to a longer stay abroad, a successor is sought who can and wants to take over a full existence. This is a well-established company in the IT service sector for 8 years, exclusively for commercial customers. The radius of action is mainly in the rostock - Wismar - Schwerin -

Lübeck. Interested parties should always have a good knowledge of PC and server hardware. However, excellent knowledge of network design, MS server administration, and router configurations are essential. A high degree of flexibility and willingness to learn is expected, as a thorough incorporation into other areas is also carried out (telecommunications, time recording). Ideally, the prospective buyer takes over the entire location consisting of a residential building with a separate office area.
