New online book trade platform (antiquarian books)

is looking for a commercial Partner. Experience in Internet marketing and/or the book trade is indispensable. Good English knowledge is advantageous. The multi-lingual system is fully developed (AJAX) and immediately operational. No change of domicile or capital investment (except for the self support during the start-up phase) necessary. If you are prepared to take limited risks, can work hard and disciplined, but still love your "freedom", this is a chance with no funds required. Inquiries of completely strangers to the industry do not appear meaningful.
