The Temple Of Hair hairdressing shop is located in the Heart Of Schwabing in and was founded by me eight Years ago.

Now I have to separate myself from my Business for private Reasons and a related change of location.

I am therefore looking for a Successor to take over the Business. Since the beginning of the year, I have rented the shop next to it and changed my hairdressing business to a ' Shop in Shop-System ". A Passage between the two Stores now allows the Customer to stay there during an eventual Waiting Period and/or to buy fashion and Accessories out Of direct Interest.

You, as a prospective customer, can choose whether you want to continue the ' Shop in Shop-System "or just take over the barber business.

Store space 85 or 135sqm can be designed freely, operating Places can be variably designed.
