## **Photo retailer**

These are 2 well-run photo shops in the Munich area. The locations are 1A downtown location. The rents are about 550,- Euro and 950,- Euro so rather favorable. After deducting all costs, you have a nice salary and there is still something left. It is possible to add a third branch. The price would then have to be negotiated. We sell everything to do with photo. Photo works, films, frames, albums, accessories photo in large formats up to 200x200cm, make passport and application photos and offer the filling of printer cartridges. One store has an online lottery 6 out of 49 acceptance point, but is also possible for the second. The VALUE of EK goods is estimated at approx. 30,000 euros. All good contacts with our suppliers and partners are of course passed on. On request, transitional care can also be arranged. Good staff is also available and can be taken over.
