Look for Corporate financing, investor

Agency for events, promotion and IT solutions

We are looking for capital for the purchase of operating equipment and site expansion for our agency. We don't want to do half things anymore - now it's supposed to really crash. We want to position ourselves firmly in the market as a company and now we have to/want to invest.

Our agency offers on the Internet, event, trade fair and promotion area:

Consulting, conception and strategy for brand building, brand management - Corporate Identity, Corporate Design

Internet presentation, content management system

Events, trade fair appearances

POS and POI Marketing

Promotion, dialogue and trade marketing

Merchandising, advertising media
