Look for Corporate participation, firm participation

## **Financial advice insurance**

I am looking for a financial and active participation in an insurance broker or financial advisor. I have been in the industry since 1989 and have specialized in the field of occupational pensions. For several years only in the consulting of BAV and association concepts. The company's headquarters can be located between Munich and Augsburg. The customer base should be mainly in the middle class. I can provide proof of financial participation after a meeting.
